CASHBOARD GAMES

Does your Branch have sports events, rallies and social events where you get 30 or more people in your Branch at one time? If yes, you should consider using our cash board games during these events.

Cash board games are small count pull ticket games, such as our It Takes a Thief Game, which has 198 tickets that sell for \$1 each. Within the 198 tickets, 15 tickets have a Hold # within one of the windows on the ticket. Once all 198 tickets are sold, you open a window on a special card that comes with the tickets. There will be a number between 1 and 15 behind the window. The player with the matching number on their hold ticket wins a prize between \$100 and \$250 depending on their luck.

Cash board games are a great way to raise additional funds and have fun at the same time.

Your Arrow Games/Bazaar & Novelty sales representative can provide you with full information cash board games and can help you launch these new games in your Branch.

25¢ GAMES

Give your players more chances to play and more chances to win with 25¢ pull ticket games!

Just think about it – if your players are buying a \$1 pull ticket, they could actually get 4 25¢ pull tickets for that same \$1, and have more tickets to open and more chances to win. There is no better combination for your players.

In addition to our popular Casino Criss Cross (3,984 count game in stock in Edmonton), we have brought in new 25¢ games in the 2399 count including Arctic Diamonds, Cash Blowout and Jumbo Bucks. We can order additional 25¢ games in both the 2399 and 3999 ticket counts at your specific request if you would like additional variety and options.
